

I have been an XM subscriber for over a year, and I have enjoyed, and have come to DEPEND on this service. It is more than just a luxury, it is a part of my everyday life. Because I spend a lot of my time traveling, I depend on XM for weather, traffic and news reports. To cut me off from this form of communication, would greatly hinder my daily life.

I choose to pay for this service, and deserve the right to be able to access the kind of channels, that only XM can provide.

Thank you
